- Ability to engage and communicate with the local community and funders

## **FAQs**

### ***Will I receive any training?***

Yes, we will provide you with role specific training, safeguarding & lone working training, and a full staff induction. You will also attend a first aid course and a further external course that applies to your role.

You will receive training for relevant part of the Fundraising role.

### ***Do I have to be in the house all the time?***

No. We recognise and encourage that you have another part-time role and/or be studying. We do ask, however, that you treat the house as your home. We ask that you get to know your housemates and spend some time with them during the week as well as living your social life and enjoying other social commitments that you may have.

### ***Can I go away at weekends or on holiday?***

Yes, and we would encourage you to get away from time to time. If you do intend to be away from the house either for a night or two or for a longer holiday, we ask that you let us know of your plans as soon as possible. This will enable us to assess whether we need to cover your absence with volunteers and therefore give us time to make arrangements if they are needed. We encourage around 28 nights away from the house per annum.
