Thank you very much for your interest in this role at Baca. Baca's mission in seeking to inspire hope and holistic long term development for every young person we work with has been recognised by Local Authorities we work with as of the highest quality.

We consider it an absolute privilege to be able to walk with the incredible young people we support on a daily basis. We take heart from the several positive stories of transition from those young people who have moved into adulthood. We are encouraged by the incredible strides they have taken to establish their lives for and be a positive contribution to the world around them.

However, we recognise the huge pressures they continue to face and therefore, we believe there is still a long way to go as we continue to learn from our young people. We believe there are greater depths of development for each young person to achieve so that they do not fall back into exploitation or any other dangerous environment.

If successful, you will be joining a passionate and committed team, at a very exciting time, who have a strong expertise in supporting unaccompanied young people seeking asylum, refuge and or are trafficked. You will find that the team are committed to our values, which has built a culture that seeks to allow everyone to be their best in order to give their best for the sake of the young people we serve. I hope you will find all the information you need in this pack or on our website (www.bacacharity.org.uk) to help you complete your application. We wish you all the best!
