Thank you very much for your interest in this role at Baca. Baca's mission in seeking to inspire hope and holistic long term development for every young person we work with has been recognised by Local Authorities we work with as of the highest quality.

We consider it an absolute privilege to be able to walk with the incredible young people we support on a daily basis. We take heart from the several positive stories of transition from those young people who have moved into adulthood. We are encouraged by the incredible strides they have taken to establish their lives for and be a positive contribution to the world around them.

However, we recognise the huge pressures they continue to face and therefore, we believe there is still a long way to go as we continue to learn from our young people. We believe there are greater depths of development for each young person to achieve so that they do not fall back into exploitation or any other dangerous environment.

If successful, you will be joining a passionate and committed team, at a very exciting time, who have a strong expertise in supporting unaccompanied young people seeking asylum, refuge and or are trafficked. You will find that the team are committed to our values, which has built a culture that seeks to allow everyone to be their best in order to give their best for the sake of the young people we serve. I hope you will find all the information you need in this pack or on our website (www.bacacharity.org.uk) to help you complete your application. We wish you all the best!

ROLE DESCRIPTION

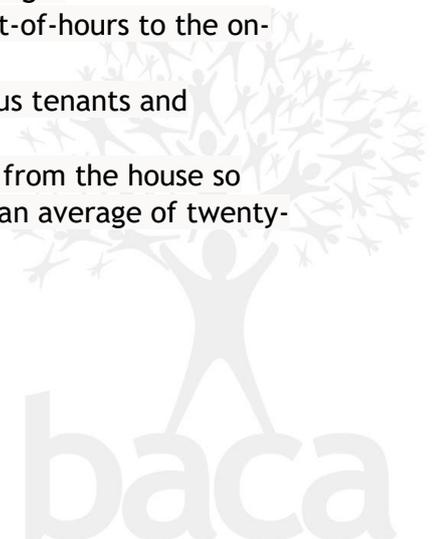

RESIDENTIAL VOLUNTEER (MALE)

Role Overview:

Separated young people seeking asylum are at risk from a variety of factors which we aim to address by using a holistic support approach. At Baca, we support our young people to achieve an increase in physical wellbeing, emotional wellbeing, personal safety, social engagement and engagement with education. We believe a key foundational need of the young person necessary for them to achieve the above outcomes is a safe home. Our model believes that to provide a safe home it is important that an adult lives in the home with our young people as a Residential Volunteer, being a positive role model and source of compassion and day to day support. The role requires the individual to move in to one of our properties and be a 'big brother/sister' to the young people (16-18 years) who are supported by the Baca Charity. The Residential Volunteer plays an important role within the team by giving support to the young people within their homes and by setting a positive example of how to live independently. We have a member of staff on-call 24/7 for any safeguarding concerns and/or emergencies.

Role Descriptors:

- Use the Baca house as your main residence
- Be a positive role model to the young people within the house
- Assist young people to settle into the house
- Assist the young people residing in the house with daily life skills and basic house maintenance matters such as weekly cleaning, correct use of bins and changing light bulbs
- Encourage young people in the house to engage with their local community
- Communicate well with the Support Team Manager regarding anything related to the young people living there, both positive feedback and any concerns regarding safeguarding
- Promptly report maintenance issues to the Operations Manager
- Report any house or young people related emergencies out-of-hours to the on-call member of staff as quickly as possible
- Collate any post delivered to the house for Baca or previous tenants and forward to the Volunteer and Mentor Coordinator
- Give a minimum of two weeks' notice for any nights away from the house so that we can provide the necessary cover. We recommend an average of twenty-eight nights away from the house per year

FAQs

Will I receive any training?

Yes, we will provide you with safeguarding training and a full staff induction. This will include information about Baca, our purpose and objectives; an understanding of the House Rules to be observed by the young people; more information about what the Residential Volunteer role entails; what to do in an emergency and what support is available to you, and introduction to the Baca team. In addition, we will introduce you to our existing Residential Volunteers so that you will be able to ask them about their experiences and build a healthy rapport within the team.

What are the primary character requirements for a Residential Volunteer?

Our Residential Volunteers must be able to commit to and actively promote the principles and practices of Baca. The Residential Volunteers must be fully sympathetic to the purpose of Baca and the needs and circumstances of the young people we support. It is vital that they are able to be compassionate and supportive with the young people. Alongside, this it is important for the Residential Volunteer to be firm appropriately and set boundaries in line with Baca's policies and procedures. Without these characteristics it will be very difficult for any person to provide the required oversight and care.

Do I have to be in the house all the time?

No. We recognise that you may have a busy private life, but we ask that you treat the house as your home. We do ask that you get to know your housemates and spend some time with them during the week as well as living your external social life and enjoying other social commitments that you may have.

Can I go away at weekends or on holiday?

Yes, and we would encourage you to get away from time to time. If you do intend to be away from the house either for a night or two or for a longer holiday, please let us know of your plans as soon as possible. This will enable us to assess whether we need to cover your absence and give us time to make arrangements if they are needed

Who are the young people that Baca support?

Baca provides housing, care and support to unaccompanied asylum seeker children who are between the ages of 16-18 years, some of whom are victims of trafficking. The young people come from anywhere in the world and will typically speak very little English on arrival to the UK.
